2. **ALL BUYERS MUST REGISTER AT THE SALE OFFICE BEFORE THE SALE.** All buyers are required to submit the following information to the sale management: a) Name; b) Full address and postal or zip code; c) Phone number, home and work.
3. The highest bidder is to be the buyer. If any dispute arises between or among two or more bidders, the auctioneer reserves the right to settle the dispute as he sees fit, and his decision shall be final. Seller reserves the right to waive the sale of his horse before it leaves the ring. **THE AUCTIONEER RESERVES THE RIGHT TO REJECT ANY OR ALL BIDS.**
4. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
5. Title to and risk of loss passes to the buyer when the animal is announced "sold" by the auctioneer. Effective from the time of purchase, the buyer assumes responsibility for the maintenance and care of the animal and agrees to care for such animal in accordance with approved husbandry practices and the stabling policies of the Rocking W Ranch Horse Sale. The buyer further agrees to indemnify and hold the Rocking W Ranch Horse Sale harmless from all loss, cost and expense arising from the illness, injury or death of persons caused by the buyer, the buyer's agent or employees, or by the animal subsequent to the time of purchase.
6. Buyer is responsible for all transfer fees.
7. Purchasers who fail in any respect whatsoever to pay for horses shall be declared in default. Any horse purchased by a defaulter may be resold at public or private sale without notice for purchaser's account, cost of such resale to be borne by defaulter. Should such resale fail to satisfy the defaulter's account in full, defaulter shall pay forthwith to the Rocking W Horse Sale the amount owing; failing which, the undersigned may bring suit against defaulter. The purchaser shall be responsible for all costs, including attorney's fees, incurred by Rocking W Horse Sale, in collection of amounts owing for horses purchased, or in enforcement or interpretation of this condition of sale.
8. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
9. The auctioneer will decline any bid made by parties who have defaulted in former purchase, or by persons who, in his/her judgment, are not responsible bidders.
10. If buyer pays by cheque, the Rocking W Horse Sale will mail all registration papers directly to the buyer after the cheque has cleared.
11. Horses have not been Coggins tested unless stated otherwise in the catalog. Costs associated with exporting horses will be borne by the buyer.
12. The accuracy of all information on the catalogue pages is the total responsibility of the consignor. Consignors shall have the affirmative duty to examine the catalogue pages, on which horses consigned by him appear, prior to the sale and report any inaccuracies to the auctioneer so that appropriate announcements can be made at the time of sale. Comments on sale day will hold preference over any comments made in the catalogue.
13. The sales management, auctioneers and employees act as agents for the seller, but assume no liability for either buyer or seller. Any representations made by the sale management are made on behalf of the seller.
14. All persons who attend the sale do so at their own risk and sale management assumes no liability for any accident, or for loss by fire, theft or injury in any manner. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown or sold in the sale ring and while buyers are examining horses before and during the sale.
15. If a new owner wants bred mares to be preg checked, it must be done at new owner's expense before leaving the yards. Disputes concerning breeding are between buyer and seller. Sale management takes no responsibility for such.
16. All known defects made known to the sale management will be announced before each horse is started. Auctioneers, Rocking W and their employees take no responsibility for the soundness, merchantability, or fitness for any purpose of any horse being offered in this sale.
17. Horses will not be delivered to buyer until proper settlement has been made. There is no guarantee of any horse sold in this sale, except when the owner makes a specific guarantee. In such case, right of recourse must be directed to the seller.
18. Any horse not available to sell in its turn will be sold at the end of the sale on the day it is listed to sell. The consignor will be responsible for having it ready to sell in the position delegated to him.
