On behalf of the Northern Lights Breeders Group, we would like to welcome you to our 7th Annual Production Sale.

We have put together another great group of AQHA and APHA horses for sale. We all put great pride into our breeding programs and also in bringing together top-quality prospects for our customers to get a chance at buying. We have a great selection of started and broke horses to offer as well.

Our sale this year again will be on DLMS for those who cannot make it to the sale and would like to bid online. All horses will be checked by the vet for soundness and health. Also, if you are not able to make it to the Saturday morning preview you can stop in Friday evening and take a look at the horses.

We also would like to give a big thank you to all of our customers and people that have supported our sale in person and online, it is very much appreciated. We would also like to thank all our sponsors for their support.

We hope to see you at the sale!

David Anderson

# Incentive Information

Many of the horses sold in this sale are eligible for multiple incentives. Here is what some of them are and how to get your horse enrolled. If the horse you purchase carries other incentives than what is listed below, please ask the breeder about them.

## Royal Crown Canada Incentive

A program for the roping and barrel racing industries, designed to benefit stallion owners and breeders by returning a portion of the entry fees back to them. It's a breeders' incentive program that provides payouts to stallion owners, breeders, and the owners/riders of competing horses.

### *How Do I Nominate My Foal For The Royal Crown & How Much Does It Cost?*

- There are no nomination fees in the Royal Crown. If your horse is sired by a current Royal Crown stallion, you just need to enter the event! If the stallion was bought in but is no longer in, check our lifetime eligibility to see if it applies to your foal.

## Western Fortunes Incentive

Western Fortunes Inc. is the original Breeders incentive program. Founded in Canada and comprised of Stallion owners, Breeders and Offspring owners united in the breeding of barrel horses and enhancing the sport of barrel racing nationally. We co-sanction futurities, derbies and open 4D events throughout Canada and the USA.

### *How Do I Enroll My Foal and how much does it cost?*

- Complete a "Offspring Enrolment" form, & send it in along with your payment and a copy of the registration papers. The enrollment fee depends on the age of the foal and if any previous payments have been made.

## The Breeders Elite Incentive

The Breeder's Elite Incentive (BEI) accommodates for many different avenues of benefits for all who wish to be involved. This Incentive nominates the BREEDER on registration papers so that ALL their offspring are eligible for our annual Sweepstakes with no foal nomination fees. A breeder is not required to own a stallion. This incentive allows for ANY horse bred by a nominated breeder OR sired by a nominated stallion to be eligible to compete in the Futurity and Derby Sweepstakes and the BEI Open.

### *How Do I Enroll My Foal and how much does it cost?*

- There is no nomination fee for any offspring.  
- ALL nominated stallion offspring, ANY past or present horses the farm is the "Breeder" of (on registration papers) are eligible to run in the annual Sweepstakes race with ANY current owner.

## The Breeders Elite Roping Incentive

Canada's 1st Team Roping Horse Futurity Incentive! This incentive was created by breeders for breeders, as we know the effort that it takes to build great rope horses from breeding, raising & training, all the way to the finished product. This incentive was started so that our great Canadian breeders and trainers of rope horses would have a place to showcase their programs for nationwide promotion!

### *How Do I Enroll My Foal and how much does it cost?*

- There is no nomination fee for any offspring.  
- All offspring, ANY past, present, or future horses the farm is the "Breeder" of (on registration papers) are eligible to compete for BERI added money in BERI approved futurities.  
- ALL offspring of nominated breeder stallions are eligible to compete regardless of the breeder on the papers, the stallion must be enrolled in the program.

## Canadian Barrel Horse Incentive

CBHI is a program designed by barrel horse breeders... stallion owners nominate their stallions and you - the owner of the offspring of these stallions - are eligible to run for extra money at various approved venues around Canada.

### *How Do I Enroll My Foal and how much does it cost?*

- There is no enrollment fee for any offspring, you just proof (registration paper) that your horse is sired by a CBHI nominated stallion.  
- Horses that are CBHI eligible can compete at any CBHI sanctioned event.

This gelding is bred and built for all aspects of ranching and pleasure. He is just as sweet as he is handsome. He is the first one to the gate, in your pocket, and the most content horse you'll ever be around. He was started as a 2-year-old by Ty Bennet and ridden inconsistently after that until he was 4. He had the winter off as a 4-year-old and has been ridden consistently since May of this year. This horse has never taken a bad step, is the same horse no matter the time off and always aiming to please. Nothing phases him, he is eager to learn and impress, and is

just an absolute gem to be around. He has a good go and woah, he has a soft mouth, and is starting to neck reign with ease. He is good with his feet, loves grooming and stands well tied or untied. He tacks up/bridles good and has been ridden bareback with no troubles. He has drug tarps, had a rope thrown off him and been around machines with little to no trouble or getting used to needed. He is ready to be someone's main guy and you won't want to miss out on the opportunity to have him for yourself.

Cash is a 3-year-old, 15.2 hh, 1250 lbs Buckskin AQHA gelding. He was lightly started as a 2-year-old last summer, he started his real work this year from early spring calving and pairing off to summer work of treating and moving cows. Cash has seen lots of different country, become a good rope horse and an all-around good mount. He's only 3 but he's a big safe, gentle giant that has lots of potential for whatever direction you choose to take him. Cash is up to date on shots and deworming, he's easy to catch, load and trim. Cash has the old school big bone that will make him last for years.

This stout short gelding has the heart and grit to do a lot. He is a grade as I never got his papers after buying him. He stands 14.3 hands but don't let his size fool you. He's bred with CORONA CARTEL, HAIDAS LITTLE PEP & ZEVI on his papers. He's soft mouthed, and responds off leg as well. He has been arena rode, rode out checking pasture, swam, drug logs & ponied other colts. He's the first to meet you in the pasture to get caught and tends to be in the middle for pecking order. He has been pastured with geldings and mares with no problems.

If you're looking for a strong, seasoned gelding with eye catching presence and a solid foundation, this guy checks all the boxes. Home-raised on the ranch, he's done it all: pasture roping, branding, sorting, roping bulls. He's smooth moving and comfortable to ride all day, whether you're pushiMng cows or just cruising down the trail. While he's not a deadhead, he's been a reliable mount for green riders in lessons, gymkhana, and casual arena or trail rides. This is the kind of gelding that earns his keep and makes you look good while doing it. Sound, sane, and seasoned - ready to go to work or pleasure ride on the weekends. He is 16hh with a size one foot. For more information call Wendy Naclia or Ben Buhler.

Spirit is a handsome 15.2 hand, home raised, 8 year old grade gelding, who likes a job. He is an amateur cutter, great at gathering, sorting and pushing bush to track a cow. You can swing a rope, drag logs and open any gate you can reach without getting off. Spirit has a scar on his left hind leg, it was from a wire cut when he was 4. He has been sound since it healed. He's a feely and athletic horse who has the stamina to carry you around all day. We own the sire and dam and have several half and full siblings on the ranch. Spirits sire is a son of WIMPYS LITTLE STEP, the dam is a grade horse.

Razzy has everything needed for a solid ranch horse, easy to swing a rope off, lots of pulling power for the branding pen, can move cows in muskeg, hay fields and good ground. He is level headed and focuses on his job, but he is also good around kids and loves when women give him attention. Like to get off the ranch for a break and try something new? Razzy has also been mildly introduced to the barrel and pole patterns and is very responsive. He is ready and willing to use his big body for anyone willing to work him at the competitive level. Whatever way you're looking to go, Razzy will help you get there.
