Paddy is a 2018 Gray gelding that stands 15.1 hh, has good bone and muscle. He is quick, athletic and a smooth moving gelding. Paddy grew up in the badland coulees here at the ranch making him sure footed, agile and use in the rugged terrain. He will make a nice head/heel horse or all-round gymkhana horse; the type of horse you can ranch on then load up and take to a roping or barrel jackpot.
